NEWS NOTES FROM B. G. FIRST BAPTIST JUNIORS

The play given in the Junior department of Sunday School during general assembly was enjoyed by 55 Juniors and teachers.

Those taking part in the play, "Worshipping together in Our Homes," were: Freddy Forsee, the father; Linda Evans, the mother; Georgiana Mills, first girl; Carolyn Markham, second

girl; and Alvin Schlechter, the boy. Scripture verses were Proverbs 31:10-15. The program closed with the players having a family prayer circle. Usher for the day was Bobby Thomas and pianist Marjorie Faye Davidson.

The banner for highest grade was awarded to the 10 year boys class, teacher, Mr. Waddell; second 12 year girls, teacher, Mrs. Gladys Edwards; third Mrs. Bonnell's class of 11 year boys. New-

From where I sit... by Joe Marsh

The "Write" Prescription

Noticed three half-finished letters lying on the counter down at "Jones' Drug Store last week. Writing three at once, Doc?" I asked.

"No," Doc said, "you are - and are of the rest of the town. Those are for the boys from our town who are at the National Guard campment."

"Everyone who comes in adds a line or two, and when a couple of pages are filled, I mail them. That way the boys hear from folks who might not write otherwise. They sure do enjoy it."

From where I sit, little things can add up pretty big. A few short notes make a letter. Boys from our little town help build up a strong National Guard. Even freedom is made up of a lot of things. And for the boys from our town who are at the National Guard campment, living where we like, voting the way we think is right, choosing between coffee, tea, or beer at dinner. And anything that adds up to freedom gets my stamp of approval.

JOHNS FORCES TRY TO KEEP RECORD AS IS

Ever since 1940, the gubernatorial candidate who led in the first primary has gone on to election in the second.

In 1940, Spessard L. Holland led Francis P. Whitehair in the first primary 118,883 to 85,431. In a field of 11 candidates, Holland went on to win.

In 1944, Milford Caldwell emerged out of the first primary campaign with 116,111 votes to 113,300 for R. A. (Lex) Green. Caldwell won in the second primary.

In 1948, Fuller Warren polled 183,328 votes to 161,788 by Dan T. McCarthy in the first primary. Warren won in the second.

In 1952, McCarty received 361,427 first primary votes. J. Bralley Odham got 232,565. McCarty became governor by winning in the second primary.

In the first primary, Johns led the field and goes into the second primary the top man against Senator Collins.

FINE ARTS EXHIBIT FOR GLADES SUNDAY

Members of XI Chapter Sigma Eta National Sorority of Fine Arts will conduct an Art Exhibit Sunday afternoon, May 16, from 10 to 5 at the Community Club Building in Canal Point.

This promises to be an outstanding event in the field of art and is the first time such a showing has been made available to the Glades public. The exhibit is being held in the Glades to promote more interest in fine art in the area. Portrait, handicaps and still life paintings in oil and water colors, pastels, ceramics and textile paintings from Dade, Broward and Palm Beach counties will be displayed, according to Mrs. Claude Santee, charter member.

It seems that we have to have a mystery once in a while just to get the newspapers out of a rut. Flying saucers did fine for a while ... but lately they've been giving ground to the case of the pockmarked windshield.

The first mark popped up on a windshield in Bellingham, Washington ... and from there they've appeared in more places than a campaigning politician.

Some folks blame the pockmarks on the H-Bomb, industrial products in the air, highway gravel, or the usual mischievous boys.

One thing clear to folks in the Glades is the value of competent pharmacy service—they've learned to put their trust in the folks at Glades Drug Store where they're always assured of accuracy and prompt attention to their prescription needs.

An Indianapolis service station man who failed to properly wash his employer's car to shave off his moustache was fired. If he'd gotten the brush off he wouldn't have gotten the brushoff. If this happens to you, hop right down for your shaving supplies and remove that brush.

You'll find a choice of fine shaving brushes along with lozenges and shaving creams, including the new push-button lathers, at our complete toiletries counter. **GLADES DRUG STORE**

It seems that we have to have a mystery once in a while just to get the newspapers out of a rut. Flying saucers did fine for a while ... but lately they've been giving ground to the case of the pockmarked windshield.

The first mark popped up on a windshield in Bellingham, Washington ... and from there they've appeared in more places than a campaigning politician.

Some folks blame the pockmarks on the H-Bomb, industrial products in the air, highway gravel, or the usual mischievous boys.

MARIAN LEE NALL TO WED HORACE HARRIS

Miss Marian Lee Nall has announced plans for her marriage to Horace William Harris, of Belle Glade, which will take place at 4:30 Sunday afternoon, May 30th. The ceremony will be performed in the First Methodist Church, Clewiston, by the Rev. Quay D. Rice, pastor.

The bride's attendants will be her cousin, Mrs. George L. Sims, Jr., as matron of honor; Mrs. Sidney Caruthers, sister of the groom; Miss Betty Harn and Miss Earline Harn, as bridesmaids.

The groom will have his brother, Roscoe Harris, as best man. Ushers will be Clarence Lee, Fritz Stein and J. A. Tedder.

All friends of the young couple are invited to attend the ceremony and the reception, which will be held immediately afterwards, at the Clewiston Inn.

CANDIDATES WORKING (Continued from Page One) which was belatedly endorsed by the County Commission in Thursday's news is being used by the Johns forces as an example of action by their candidate.

Altogether the Glades has on one of those rare enthusiastic periods of political activity and every voter most likely will be asked to vote some way this year, and given plenty of reasons why the particular candidate should be elected.

BIRTH ANNOUNCEMENTS May 6 — Mr. and Mrs. Floyd Browning (Ernestine McAlum) announce the birth of a daughter, Brenda Fay at the Belle Glade Memorial Hospital.

MRS. BILL GRABER CASHES IN HER BOWLING AILEITY Mrs. Bill Graber and her partner Mrs. Marge Schmitke were winners of \$200 in cash in the women's double, "Take All" bowling tournament at the Carefree Bowling center Sunday in West Palm Beach.

BUILDING OFFERED (Continued from Page One) be used for the several departments of the County government.

This is in line with the announced policy of the Commission to make it easier for Glades folks having business with the County offices to transact routine business without the 85-mile trip to town.

The commission also set May 27th as a hearing date for the owners of a number of condemned buildings.

Turned over to the City Manager the question of completing the Port of Belle Glade facilities, particularly on work to be done by the Port of Palm Beach Authority.

Discussed the practicability of using a fogging machine for mosquito prevention in the City, but okayed the continuance of plane dusting until the matter is settled.

HOSPITAL NOTES Medical patients at the Belle Glade Memorial Hospital are Franklin Howell, Fred Ogles and Ronnie and Steve Gamble, sons of Mr. and Mrs. Rex Gamble.

MANY VISITORS ATTEND HOSPITAL OPEN HOUSE

Open house was held Wednesday afternoon from 2:30 to 4:30 pm at the Belle Glade Memorial Hospital, in observance of National Hospital Day, and honoring the birthday of Florence Nightingale.

Receiving the guests were Mrs. Herman Baxt, Mrs. Ralph Pipes, Mrs. Harold Rabin and Mrs. Herbert Beck, wives of physicians and hospital board members.

Beautiful arrangements of garden flowers, roses and hibiscus were placed in the newly redecorated nurses lounge, children's ward and throughout the entire hospital with the Belle Glade Garden Club members.

Richard Brooks, agricultural teacher, at Pahokee High School was appointed Commandant of Cadets of the Glades unit of the CAP at a meeting of the Patrol held Wednesday night.

Mr. Brooks will be in charge of the cadets when the program is inaugurated at the closing of school, according to Commandant Benny Weeks.

CARD OF THANKS We want to express to our friends our appreciation for the expressions of sympathy and many acts of kindness shown us in our bereavement.

Brazilian Life To Be Topic Of Mission Worker At First Baptist Church May 18th

Mrs. A. B. Gilchrist, formerly employed by the United States Rubber Corporation in Nassau, Brazil, invited ladies of the American Mission to the interior, for several years lived with the Baptist missionaries, Mrs. and Mr. Gilchrist at the mission school. While there, she became acquainted with the life of the people of Brazil. She is now a member of the First Baptist Church of Belle Glade, and will be the topic of the mission service at the church on May 18th at 8 p.m. We are sure that she will be a most interesting speaker, and that the service will be a most successful one. The service will be held at 8 p.m. and will be a most interesting and profitable one. The service will be held at 8 p.m. and will be a most interesting and profitable one.

PIONEER 7 — ELKS 5

Johnny Thomas pitched beautifully but was forced to accept defeat in the game Saturday night. Pioneer catcher Billy Jones seemed to have something against Thomas and used his bat to express his feelings. Johnny served up only two hits to batters other than Jones. Billy Jones opened the attack in the first inning with a solid two base rap. In the 3rd frame he added a single, and then in the 5th he slammed a home run to finish off a perfect evening at bat. Jones also scored three runs for the Growers.

Jimmy Webster gave up one hit in four innings for Pioneer and Charles Royal allowed two more hits as he finished the game. Webster struck out nine and Royal seven in the Growers winning effort. For the losers, Johnny Thomas added his own effort with a triple and a single. The only other hit was a fifth inning single by Arnold Smith which drove in one run. Thomas fanned 14 Elks batters.

KILGORE 6 — JAYCEES 4

Four hit pitching by Gary Perkins effectively throttled the Jaycees Saturday night at Belle Glade. Perkins fanned 14 Jaycees batters as his team mates banged out ten hits off Kenneth Sands and Tommy Parker. Mike Challancin held the big stick as he rapped a single, double and triple in 4 turns at the plate. Edward Humphries collected a double and a single and Walter Ashley 2 singles to aid the attack.

The Jaycees couldn't solve the curve ball slants of Gary Perkins. The five Jaycee hits were distributed one to the customer. Only Morgan Tyson's 3 bagger and David Binkley's double went for extra bases.

ELKS 6 — KILGORE 4

The Pony League Elks bunched their scoring efforts into two big innings, the 3rd and fifth to win a close decision over the Kilgore seedmen. Kilgore Manager Hubert Anderson played the game under protest from midway in the Seedmen's half of the 7th inning. A real big league type rhabarbar occurred following infield fly ruling by game officials. Derrel Mathis limited the losers to only 2 hits all singles as he struck out 10 and issued 6 walks. The Elks limited Mathis very nice support in the field.

The winning Elks collected only four hits off four Kilgore pitchers. Johnny Thomas hit the big blow of the game, a triple in the third inning to drive in the first run. Two walks and a hit batsman followed by 3 successive singles in the sixth sewed up the victory for the Elks.

PIONEER 7 — JAYCEES 5

Heavy hitting by Billy Jones and Charles Royal made the big difference as the Pioneer Growers won their first game of the season over the league leading Jaycees. The loss was the first for the Jaycees. Officially the result was reversed as Pioneer used fill-in. Jones and Royal both slammed home runs in the first inning and followed with doubles in the later innings. Alvey Early hit a double and a single to join the hitting parade.

Royal pitched 5 hit ball, giving up only two extra base knocks, a double by Glen Hogge and a triple by Tommy Johnson. Kenneth Sands started on the mound for the Jaycees, but was in trouble in the 4th frame and gave way to Glen Hogge. Tommy Johnson also came on in the 4th to put out the fire. Johnson finished the game giving up only 2 hits.

THIS IS ENTRY WEEK

(Continued from Page One) our lack of opportunities. Sometimes we make the flimsy excuse that we're too busy to take part in a proposition of this kind. Truly, we realize that everybody is busy these days. But according to the writer's observations it is the busiest people in every community who invariably win the biggest prizes. Sometimes too, while taking stock of our blessings, we mistakenly claim that Old Man Opportunity must have passed our door. However, such claims rarely ever are based on facts. Instead, we simply failed to recognize and seize opportunity.

lies when presented to us. Isn't that true? Meet Opportunity. Dame Fortune is now knocking on your door. She is literally pounding upon it with both hands to awaken you to the opportunities existing in The Herald's big "Everybody Wins" prize subscription contest to utilize whatever spare time you will have during the next few weeks toward winning prizes worth thousands of dollars. Greet this opportunity NOW—before it becomes too late—and make the most of it.

Remember, it costs absolutely nothing to try. Remember, too that anything worth having in this life is worth striving for. Just a few short weeks of the latest and effort on your part and you may be riding in your own new Chevrolet, worth a small fortune on today's market, June 26.

Yes, Yes, You Can Win!

It will be observed by the first list of entries appearing on the front page of this issue that only a comparatively few have entered for the race so far. There are too few entries, in fact, considering this extensive area to be covered, its population and the magnitude of this prize offer. And it is by no means too late for anyone with sufficient ambition to bestir themselves a bit and share in the excitement of prizes to be awarded just six weeks from this Saturday noon which is June 26.

Next week, when a more complete list of entries is announced, marks the real beginning of what is destined to be a most interesting and highly profitable competition among local people in this area. Make up your mind right now, this Saturday noon which is June 26.

"GAIETY - JOY MARKS"

Queen Terry Tucker and King Ronnie Thomas related after May Day Festivities at the High School auditorium Thursday, May 6.

Gaiety - Joy Marks
May Day Festival

The May Day Festival so designated as Health Day representing fun, joy and benefits of outdoor sports was carried out in a colorful May Day theme, April Showers at the High School Auditorium Thursday afternoon.

Terry Tucker was crowned Queen by King Ronnie Thomas in a gay but impressive ceremony, and presided over the festivities. Attendants of the court of the king and queen were Susan Clark, Phyllis Buss, Paula Parson, Sidney Pearce, Linda Close, Douglas Thompson, Harry Wynn and Charles Lockmiller.

Heralders were Johnita Turn-

er, and Jimmy Johnson, and flower girls, Karen Kimball, Mary Lee Michael and Linda Kessler threw rosebuds in the path of the queen. John Bamford was crown bearer and assisting the queen were train bearers, Sharon Amedee and Percy Parrish, Russell Barry as jester entertained the court with merry antics.

After crowning of Queen the subjects danced and sang for their royal pair.

"Hop goes the Bunny" (Roses with umbrellas), "Walking Dolls, (I have a little Doll) and Shoo Fly Don't Bother Me" was presented by the first grades under the direction of Mrs. Barry.

Members of the second grades were daisies and presented a dance "How Do You Do My Partner", under the direction of Mrs. Herman Close, Miss

Among couples of the fourth grade presenting original dances to the tune "Hark to the Song Bird" in the May Day Festival were, left to right, Gloria Smith, Bobby Stratton, Iris Blum and Corby McKee.

Binkley, and Mrs. Lloyd. "Butterflies" and "Happy and Bright Are We" were songs presented by third graders while the butterflies twirled, followed by the ballet girls with the boys marching.

Fourth graders presented original dances and singing of "Hark to the Song Birds". They were directed by Mrs. Bamford and Mrs. Christ.

The fifth grade joined in the merriment with a square dance

and the winding of the two Maypoles, of three different types, Crisscross, basket weave and spiderwebb. Mrs. Gove and Mrs. Lenier supervised these entertainments.

Miss Gail Allison acted as narrator. Mrs. Davidson and Mrs. Hub Spooner, sixth grade teachers were in charge of decorating the queen's throne.

Miss Marian Najarian deserves much credit for the success of the festival.

Buick now outsells all other cars in its price class and above

You've probably noticed it right in your own neighborhood.

Eight new Buicks appearing here, there, everywhere. And more and more of them in recent weeks.

Know what's happening?

Folks in growing numbers—(and maybe you'll be joining them soon!)—are finding Buick styling, performance and value far too wonderful to pass up.

So Buick is selling at a record pace—outselling all other cars in its price class and above.

Matter of fact, latest figures for the first quarter of 1954 show that, in total national volume, Buick is outselling every other car in America except two of the so-called "low-price three."

A look and a ride and a peek at the price tag will be all you'll need to know what's back of this best-selling success.

There's styling in Buick that's the greatest beauty advance in years—the very look of tomorrow—and with the spectacular panoramic windshield that's part and parcel of this dream-car look.

There's performance in Buick as never before—with record-high V8 power, with the sensationally smooth

whip of Twin-Turbine Dynaflow,* with the buoyant ride of all-coil-springing, with a new precision of control and handling.

And there's value in Buick that's hard to match—with prices starting near the "low-price three"—prices that buy more Buick beauty and power and thrill and sheer automobile than smart money ever bought before.

How about you? Are you ready, willing and waiting to be shown that this best seller called Buick is the buy of the year for you, too? Drop in this week, or give us a call, and we'll arrange a demonstration.

New 1954 All-Nylon Cord Super-Cushion

Costs only a few dollars more than a standard tire!

No other tire at or near its price can match it!

1. Hits test curb at 55 mph! Not a cord broken! This is just one of the punishing tests this All-Nylon Cord Super-Cushion has taken! In fact impact blowouts are almost unheard of with All-Nylon Cord Super-Cushions.
2. Up to 12% more mileage! This mileage boost comes right on the heels of a 21% increase in 1953. Total . . . almost 1/3 more safe mileage than most motorists ever experienced before! That's a real saving in your driving costs.
3. Quieter ride! 15% greater traction! That squeal on turns has been practically eliminated by a new anti-vibration tread design. And this new tread has 1806 inches of non-skid edges, 880 deep-cut safety slots for 15% greater skid resistance.

Even more mileage than last year!

Quieter ride — less squeal on turns!

Much greater skid protection.

FOR A LONG TIME, people have recognized that Ford is the "Worth More" car. And they have been expressing their preference in a great and growing volume of purchases.

The reason is simple. More and more people have found in Ford everything they want and need. They have found that Ford offers exterior beauty that has set the trend for the industry . . . interiors that are so colorful and in such good taste that just sitting in a Ford is fun.

If you're in the market for any new car, you'll be missing something if you don't come in and value-check a Ford point by point. And when you Test Drive a Ford and find out what a brilliant performer it is, you'll really understand why Ford is America's Best Seller and America's Best Buy.

In the first place, Ford offers the two most modern engines in the entire industry: the completely new 130-h.p. Y-block V-8 and

the outstanding new 115-h.p. I-block Six.

As for comfort—Ford is the only car in its field with Ball-Joint Front Suspension. This amazing new principle provides a degree of handling and riding ease that cannot be equalled in any car without this new suspension system.

Choice, too, is a department where Ford excels. You'll find just exactly the car for you among the 14 body styles and more than 100 body color and upholstery combinations in Ford's three great lines.

And consider these facts, too. Ford is a completely modern car. The advanced fine-car features that make it "Worth More" when you buy it, will also make it "Worth More" to someone else when you sell it.

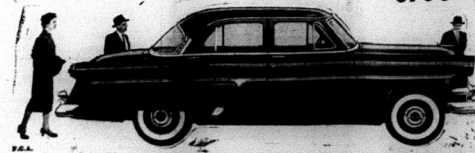

Why not accept our invitation to Test Drive a '54 Ford. We believe that you've never driven a car in Ford's field that is in any way comparable.

**AN OPPORTUNITY
FOR ALL OF US**

It has been our contention, and the National Rifle Association has vigorously pursued the objective, that a proper interest in firearms and shooting by young people is something to be encouraged and promoted in the interests of healthful recreation and good citizenship.

Our Junior program goes back to 1907 when the bylaws of the Association were amended to provide for the affiliation of rifle clubs from schools and colleges. At the same time new medals and a classification, called the Junior Marksmanship, were adopted. In 1925, the program gained added impetus when at the request of the Winchester Repeating Arms Company, we took over and expanded their Junior Rifle Corps Program.

Since that time, each year has found the NRA investing more effort in the sound and essential task of making it more convenient and more rewarding for young people to learn to shoot safely and accurately.

Although hunting is now the top of the safest of sports we have never ceased to believe that accidents with firearms can be reduced by a widespread program of education and training. Our views on this subject are shared by leaders in the fields of conservation and education, and by many forward-looking law-makers. These people, as does the NRA know that the future of hunting, in a large measure, is tied in with the conduct of those who go into the woods and to the fields and shores in lawful pursuit of game.

Every accident involving a hunter and his gun is publicized to the extreme by the newspapers and by many magazines. This sort of adverse publicity cannot be 'justified' away by pointing to the actually demonstrable safety of the sport. Nor is anything accomplished by charging the news gathering and disseminating sources with overplaying or unfairly presenting accounts of hunting accidents.

The concrete refutation to much of the strong criticism that is leveled against legitimate gun users, because of accidents in which firearms are involved, lies in a program of constructive action.

It was a milestone in this organization's history when in 1950 the New York State Hunter-Safety Law was amended to designate the National Rifle Association as an official training and certifying agency.

Immediately, the NRA prepared a course of instruction and other necessary materials. The instruction and testing of young people, as a prerequisite for their receiving a first hunter license, was done on a voluntary basis by NRA members who had been certified as qualified NRA Hunter Safety instructors by your Association.

To date in New York State alone 2,006 NRA certified instructors, during the past four years, have indoctrinated some 54,000 young hunters in the essential factors of safe and proper gun handling. A far bigger job lies ahead, however, which will require many times that number of instructors if we are to teach these same essentials to many more untold thousands

of our youth who should receive the benefits of this program.

With the assistance of the NRA, California and New Hampshire are now operating state-sponsored Hunter Safety programs. Maine, Massachusetts, New Jersey, Ohio, Michigan, Wisconsin, Idaho, Oregon, Washington, Mississippi, and several other states, impressed by the gratifying results that have invariably followed the adoption of this Hunter Safety idea, are embarking on the same or similar programs.

This Association, representing the hard core of responsible gun owners had shooters in the country, now has the finest opportunity since it was founded to demonstrate its importance in the field of public service. However, we must increase our income, and we must find more trained personnel than are currently available, if we are to respond in full measure to the many calls we are already receiving for assistance in settling up and carrying out this Hunter Safety Program.

The money must come from the addition of new members to the rolls. That is why we are constantly emphasizing that our continued growth depends to a large extent on each member signing up a new member who is interested in the National Rifle Association and the services it provides.

It is membership dollars that have made it possible to prepare and distribute the millions of pieces of literature which have been furnished the schools, clubs, service and veterans' organizations, camps, and participating individuals.

The additional personnel must come from enthusiasts among our membership who are willing to do their part to make hunting a safer sport by becoming instructors.

THE problem of having instructors available to meet all demands was a recurring subject in many of the sessions and

open discussions at our 1954 Annual Meetings. It became increasingly evident as more facts and figures were assembled that emphasis must be placed upon having the present group of instructors teach others to be instructors. By operating in that manner we multiply our ability to teach the many young people who are fast coming along.

Today there are 22 million young people in the ten to nineteen-year age group in this country. Twenty years from now there will be more than 38 million in the same age group. Clearly, this great task is an opportunity for all of us who believe in the future of shooting to demonstrate that our interests are anything but selfish. It is also a challenge. It is a challenge to the National Rifle Association of America. It is a

challenge to every single individual who is a member of the NRA. As gun owners and hunters, we are charged with the burden of keeping our own

house in order. We must accept this challenge if we are to insure the continuance of our heritages — sport for the generations to come.

FOR
CIRCUIT JUDGE**

Since this Court is located in Broward County, and primarily serves the people of Broward County where both candidates reside and are best known, it is significant that Farrington is so strongly favored by Broward voters and attorneys.

In addition to his unquestioned fairness, and integrity, Farrington has been a practicing attorney for 14 years and the Broward County Solicitor for the past five years and has acquired far more courtroom and trial experience than his opponent. Received law degree, with honors, in 1940 from University of Florida. Married, and with three fine children, Farrington is a member of the Presbyterian Church, American Legion, Lions, Jaycees, Elks, Florida and Broward County Bar Association.

Cut in Federal Excise Tax
Means You Pay Less for
Every Long Distance Call

Now you can keep in touch with distant friends or loved ones at even less cost since the reduction of federal excise taxes by Congress on April 1. Instead of paying a 25% excise tax (15% on calls under 25 cents), you now pay only 10% on all Long Distance calls.

Today, why not enjoy a Long Distance telephone trip? Someone will appreciate hearing your voice, and you'll enjoy hearing theirs. It means so much to keep in touch—and now it costs even less by Long Distance. Call your friendly Long Distance operator for rates.

**New driver comfort!
New driving ease!****New Chevrolet Trucks...**

do more work per day . . . more work per dollar!

You save time in traffic. New truck Hydra-Matic transmission gets you off to smooth, time-saving starts without shifting or clutching. Imagine how easy this makes driving in traffic and on delivery routes! It's optional at extra cost on 1/2-, 3/4- and 1-ton models.

You save time on the highway. New high-compression power gets you up to highway speeds from a standing start in less time, and saves you time on hills, too. You make trips faster—and the new Comfortmaster cab makes them seem shorter. It's got everything!

You save extra trips, too. That's because of the extra load space you get in the new Advance-Design bodies. New pickup bodies are deeper . . . new stake and platform bodies are wider and longer. Also, they're set lower to the ground for easier loading.

You save on operating cost. High-compression power saves you money! The "Thriftmaster 235" engine,

the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save with lower upkeep. New Chevrolet trucks are built stronger to last longer and save you money on maintenance. There are heavier axle shafts in two-ton models . . . bigger clutches in light- and heavy-duty models . . . stronger frames in all models.

And your savings start the day you buy. In fact, they start with the low price you pay—and they never stop. Chevrolet, you know, is America's lowest-priced line of trucks. And it's also the truck that has a traditionally high trade-in value.

Come in and see how much you've ahead with America's number one truck. You'll like the way we're talking business!
